democracy it is!

Freeze Frame
Instructions:

Freeze Frame • North Star Academy

Using the **Freeze Frame** activity will help your students make meaningful connections between concepts shown in various documentary segments of *democracy it is!*

Using best practices in literacy instruction*, guide your students through the questions on the sample document.

Surf to:

<http://democracyitis.ecb.org/freezeframe>
to create your own worksheet with stills from our video series! Also available in lab format for students!

**Making connections is a vital component of understanding what you read. For more hints, tips and teaching ideas for reading skills, visit:*

A

B

Pre-viewing questions:

1. What do you see in Picture A?

2. What do you see in Picture B?

3. How are these pictures related?

4. What clues did you use to to determine if these were related?

5. Do you think these pictures are in order? Why?

Post-viewing questions:

1. What key concepts from the series are being taught here?

2. What clues did you use to come to your conclusions?

3. Can you relate things in your life to the pictures?

4. Can you picture yourself doing these things?

5. After viewing the video, be sure to reflect on your answers.
